ANALYSIS: (Attach a separate page if necessary)

CSHCR 30(FIN)am establishes an eleven member Alaska Climate Impact Assessment Commission made up of four Legislators and seven public members appointed by the Presiding Officers. The House and Senate Resources Committees will assign committee staff to support the Commission. The Commission will conduct hearings around the state, four hearings in FY07, and four hearings in FY08. Costs for experts in the field to travel to address the Commission are included in this fiscal note. Travel costs for the Legislators and public members are included in this fiscal note. All other meetings will be by teleconference. The Commission will study the effects of climate change within Alaska and shall prepare a report offering recommendations and possible solutions and preventative measures that can be implemented by Alaska communities and the state and federal governments. The Commission will have contractual budget for phone, advertising and other expenses and a supply budget for the purchase of supplies and research materials. Teleconference costs and the costs for printing the report will be absorbed within the Legislative Affairs Agency budget. The continuation or termination of the Commission will be reevaluated at the second regular session of the 25th Legislature.
